簡介

Driven by curiosity, I stay on the pulse of Generative#AI and turn fresh ideas into practical applications. Love to build GenAI applications from#0#→#1.

What energises me:

- . Automating repetitive work with RAG-powered agents#—#cutting team workload by#50#%
- . Shipping AI-driven digital products worldwide (US, Taiwan, and Japan)
- . Learning, sharing, and shipping in public with motivated, cross-functional teams

I'm a hands-on builder, lifelong learner, and collaborative teammate. If you're exploring ways to weave Generative#AI into real business value, let's connect.

經歷

Freebble.com

Founder

2022 年 8 月 - Present (3 年 4 個月)

New Taipei City, New Taipei City, Taiwan

- Led new product development from scratch, launching AI solutions and digital products across 4 markets in e-commerce, business operations, and marketing.
- Built an AI Research Lab focused on LLM and agents, overseeing 6 AI applications designed to solve real business problems and meet market demands.
- Increased team productivity by 50% by finding and implementing AI tools that matched company goals.
- Enhanced product results through regular data review, achieving 12.35% growth in quarterly conversions and 58% user retention.

Jointher

Product Manager

2019 年 9 月 - 2022 年 3 月 (2 年 7 個月)

New Taipei City, Taiwan

Here's a clearer, more professional version of your work experience:

- Led development of new product lines and analyzed market potential using customer data to create targeted strategies.
- Managed complete product performance tracking, achieving 200% annual revenue growth through testing different approaches and data analysis.
- Led cross-team projects that combined customer feedback with online-to-offline strategies to reach more markets.

UNIINN Technology

Sales Engineering Manager

2018 年 9 月 - 2019 年 7 月 (11 個月)

Taiwan

- Presented AI solutions to industry partners and investors, showcasing product features and growth opportunities.
- Participated in major industry events and strategic meetings to build business relationships and partnerships.

IRASER CUTTING FABRICATING

Business Development Manager

2013 年 7 月 - 2017 年 2 月 (3 年 8 個月)

New Taipei City, Taiwan

Evaluated, managed, and developed industry partnerships while actively identifying new product development opportunities and projects to drive business growth, contributing to an annual revenue of 13 million NTD and increasing net profit by 15%.
